RE: NMLS 2014 Streamlined Renewal Process

The Massachusetts Division of Banks (Division) utilizes the Nationwide Multi-State Licensing System & Registry (NMLS) for completing 2014 License Renewals. NMLS allows you or your sponsoring company to conveniently manage the renewal of mortgage loan originator licenses in an electronic format through a secure website beginning November 1, 2013.

The Nationwide Multi-State Licensing System & Registry is online at:
<http://mortgage.nationwidelicensingsystem.org>

Records must be up-to-date at time of renewal. Amendments to your license information cannot be made with the license renewal request. If you need to make changes to your record before you can attest to its accuracy, we strongly recommend submitting any necessary updates immediately to allow sufficient time for the review of changes prior to renewal. Waiting until late November or December to submit amendments may delay renewal of your license.

NMLS 2014 Streamlined Renewal Process

Attestation

Beginning November 1st, 2013 you will be able to log into NMLS and complete your attestation through the Renewal Tab. Attestation is your legal certification that your NMLS record is up-to-date, that renewal requirements have been completed, and that you meet all renewal eligibility requirements in each relevant jurisdiction.

Renewal Request Submission

Between November 1st and December 31st 2013, companies can request renewal on all attested mortgage loan originator licenses in renewable status, or individuals may request renewal of renewable licenses, by logging in and submitting their renewal requests to Massachusetts through NMLS.

Continuing Education (CE)

Prior to the submission of the renewal request, all MLOs must complete their required continuing education. The only exception to CE is if an individual *initially* completed SAFE Pre-licensing education in 2013.

You will be unable to apply for renewal until education is complete and posted to the NMLS Education Record by the course provider. Individuals are strongly encouraged to complete CE well before the renewal deadline.

Criminal Background Check (CBC)

MLOs are required to submit an updated CBC at the time of the renewal request.

A significant portion of the fingerprints of licensed MLOs have already expired due to an FBI mandate (every three years). As such, updated fingerprints must be submitted before a CBC can be run. To schedule an appointment visit <https://nmls.fieldprint.com/>

Fees

In addition to the \$500.00 annual license fee that is assessed by Massachusetts, NMLS will charge a processing fee of \$30 which you **or** your sponsoring company will be required to pay electronically through NMLS upon submission of the renewal request. The processing fee pays for NMLS' operations, including licensee system access 362 days per year, ability to maintain and renew your licenses, and call center support.

Additionally, there is a \$39 fee for the submission of the Criminal Background Check. All fees collected through NMLS are non-refundable.

NMLS Website

The NMLS website provides instructions on how the NMLS 2014 Streamlined Renewal Process will work, along with links to the participating states, uniform renewal checklists, and attestation language. Click on the [Licensing Renewal](#) link on the NMLS website for details.

Late Fee

Those failing to submit their renewal application prior to December 31, 2013, who seek reinstatement of the license, will be required to pay an additional reinstatement fee of \$115.00 for the mortgage loan originator license. Additionally, they will experience an interruption in their license status after December 31st in which the renewal application remains outstanding.
